In Teaching Football

Discipline A Big Factor

By NELSON SORAH

Post-Herald Sports Editor

Discipline, fundamentals and hard work were listed the single most important factors in teaching high school students to play football by three of the area's most successful coaches.

Joel Hicks of Woodrow Wilson, John Beckelheimer of Oceana and Elmer Friel of Marlinton all had nearly identical views on teaching football in high school and two of them had the same most important factor.

Hicks, in his first season at Woodrow Wilson, after coming from Big Creek High School with a 25-15-2 overall record, singled out discipline.

"If you have discipline, you can teach the fundamentals and everything else that follows," the young coach said. "You can't teach anything if you don't have discipline."

Hicks began his coaching career at Big Creek High in War after graduating from West Virginia University in 1963. His first season was the worst of his five with the Owls, winning only three games and losing

seven. His next season was a 5-4-1 campaign but after that his program was set and the victories came like water under a bridge.

At the end of the 1966 season, Big Creek had recorded a 9-1 mark. In 1967 they were 9-1 and last season the Owls finished 7-2-1.

Hicks maintains his strict outlook on discipline, saying if he has that, "everything else will fall in line."

"To prove my point," he said, "look at the Scholastic Coaching magazine after each season. All 50 state champions are listed and almost every one of the coaches uses a different type of offense and defense. But, they are all winners."

"If everybody used a 4-2 defense to win, then I would change to that with every other coach, if that was what it took to win," Hicks continued.

His second most important factor was "to put over the point to all the boys that everyone is given the same equal opportunity."

Elmer Friel, who has three undefeated seasons in his nine

years at Marlinton High School, goes along with Hicks.

He listed discipline and fundamentals as the single most important factor. "By executing the fundamentals of football with complete discipline, you won't lose too many games by useless mistakes," Friel said.

He also pointed out physical conditioning as a big part of his program at Marlinton. "We didn't lose a single player because of injury last season and I certainly would contribute that to conditioning," said the Copperheads' mentor.

"Having a thorough knowledge of what you are trying to teach, being able to demonstrate it and having players physically fit to execute it will win ball games," Friel summarized.

He began his coaching duties at Marlinton in 1960, coming from New Mexico Highlands University. His overall record is a remarkable 77-18-1.

The Pocahontas County coach has had only one losing season, his first, which ended with four victories and five defeats in 1963. His next season was

slightly better, going five and five.

After those two years, Friel molded three unbeaten teams, the first in 1962 of 10-0, the next in 1967 of 10-0 for the State Single-A football crown and then last season of 9-0. The Copperheads missed making a playoff berth by one tenth of a point in 1968.

Friel has an average of only two losses per season and eight victories.

John Beckelheimer, coach of the runners-up in the State Double-A championship game last season, has an overall record of 47 wins 20 losses and three ties.

His first single most important factor encompasses both Hicks' and Friel's. "Hard work by everyone concerned with the program," was Beckelheimer's first priority.

"By getting hard work from every player, he will have the desire to play and be physically able to do so," said Beckelheimer, who added, "by working hard, he will know the fundamentals."

The Indians' mentor lists this as the reason for the success that he has had at Oceana High School.

The season before Beckelheimer took over the reigns at Oceana, the Indians were 9-10. His philosophy must be paying off.

Beckelheimer's first season is his only loser, as was Hicks and Friel. The Indians went 3-7 then climbed to a 5-4-1, up to an 8-2, and then went undefeated in 10 games but missed the playoff by a tenth of a point. His next season was 7-2-1, then 5-4-1 and last season 9-1.

Marlinton Wins Fifth

MARLINTON — Marlinton continued its winning ways Friday night, putting together 319 yards rushing, 136 yards passing and a pair of field goals by Teddy Dunbrack in a 40-6 triumph over Green Bank.

Dunbrack scored 14 points — a six-yard touchdown run, 25 and 15-yard field goals and two extra point kicks—and passed for two points.

Ivan Withers tallied on 55 and one-yard runs for the Copperheads, who rolled to their fifth straight victory.

William Corso rumbled 34 yards with a fumble recovery and Mike Cain tallied from four yards out to account for Marlinton's other TD.

Green Bank gained 124 yards on the ground and eight passing. Ernie Crisp got the TD on a one-yard run. The loser's defensive effort was led by Gary Arbogast.

Corso, Dunbrack, Bob Galford, Charlie Friel, Withers and Cain paced the Marlinton defense.

Marlinton plays host to Union Friday night and Hillsboro visits Green Bank Saturday.

Regains Ratings Lead; Oceana, Monongah on Top

The Associated Press
Charleston gained sole possession of the No. 1 rating among Class AAA high school football teams Sunday in the Secondary Schools Activities Commission ratings.

St. Albans and Bluefield, who had been tied with Charleston in last week's ratings, slipped to second and third, respectively.

Oceana held a slim lead in the scrambled Class AA ranks, but Wayne, Hinton and Ravenswood were less than a half-point behind, in that order, and all but Oceana have one game remaining.

In Class A, powerful Monongah continued to have a com-

manding lead but No. 2 Marlinton and third-rated Paden City were separated by less than one percentage point.

SSAC ratings determine which teams play for the state championships in each of the three classes.

It would appear, barring upsets in the season's final week, that Charleston and St. Albans will meet for the Class AAA crown.

In Double-A ranks, however, it is possible for Wayne, Hinton and Ravenswood all to surpass Oceana.

SSAC Director Gordon Eismon said although Paden City ended its season last weekend, its opponents have three games remaining and if any one wins, Paden City's rating will increase.

The ratings, with won-loss records in parenthesis:

CLASS AAA

Charleston	(8-0-1) 14.33
St. Albans	(8-1) 14.27
Bluefield	(9-0) 13.94

Marlinton to Face Barrackville Today

(Continued From Page 7)

Harry McCloud banged in 13 points, Ted Dunbrack added 12 and tied the tourney record for assists with 10, and Jim Irvine, Tom Clutter and reserve Tiny Shinaberry tallied 11 points each for the Copperheads, who increased their record to 24-2.

"These boys are unselfish," remarked coach Elmer Friel, the unruffled Marlinton coach who seemed to take the 34-point victory in stride.

Work together they did Friday, with Dunbrack and his running mate at guard—McCloud—zipping the ball to their teammates with drill-field precision. The Marlinton team racked up a total of 17 assists.

ON DEFENSE, Marlinton was like a bulldog, continually nipping at the Fort Ashby ballhandlers and forcing turnovers by the Eagles, who closed with a 19-7 record.

"Marlinton has a nice ball club," conceded coach Quentin

Sayers of Fort Ashby. "They rebound well and shot well." Sayers said he tried five different defenses.

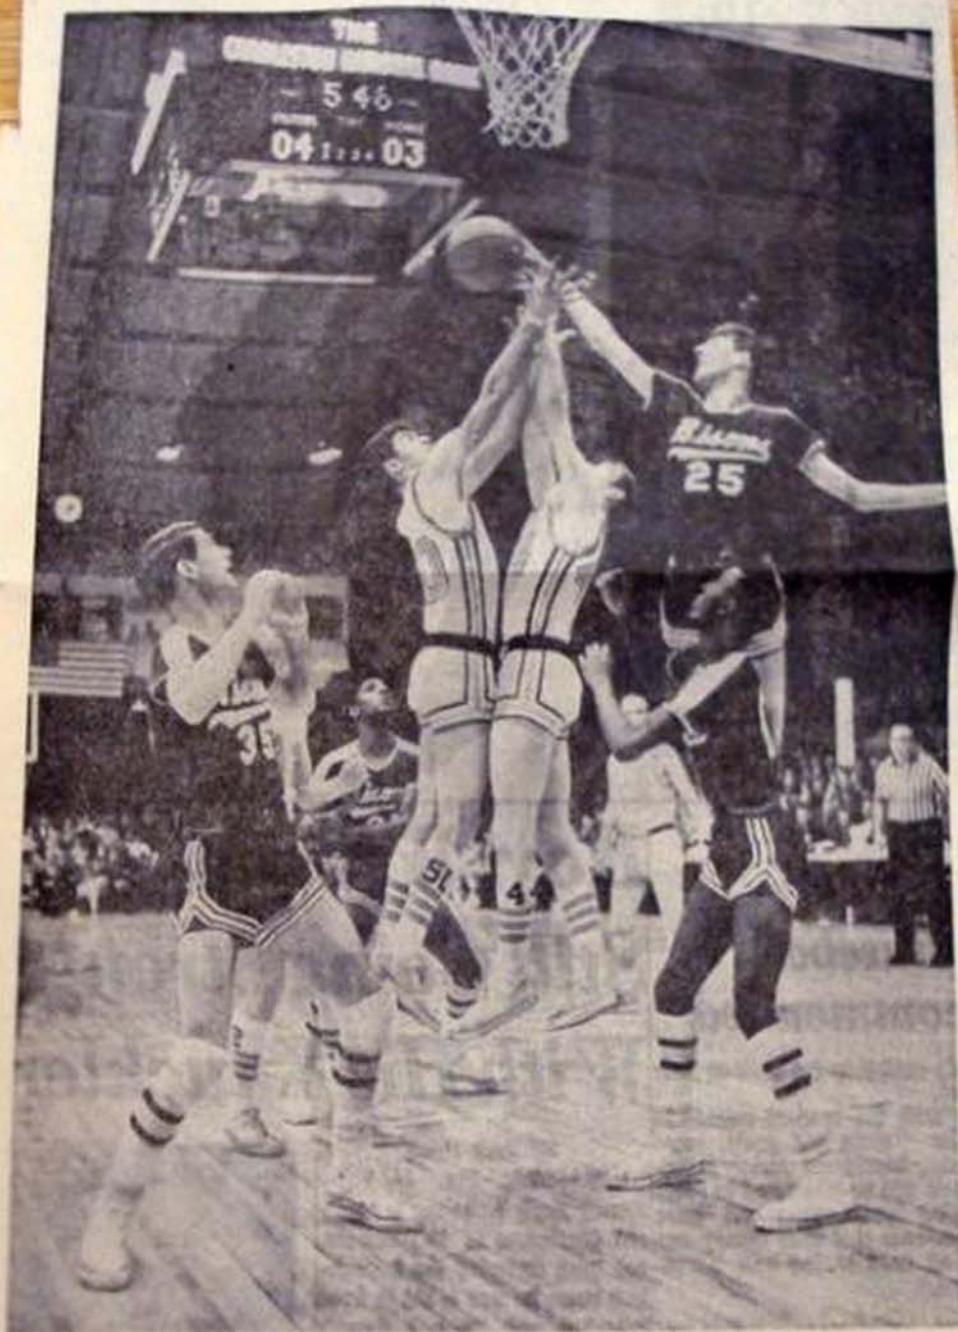

Rod Knotts of Fort Ashby, who scored 64 points in one game this season, made only 10 against Marlinton, as did Jim Allen and Bernie Wolford. Ralph Weaver led the Eagles with 12 points.

Marlinton never trailed, and was tied only briefly at 2-2. Irving's two free throws and a goal from the side by Clutter gave the Copperheads a lead they never relinquished.

The Copperheads ran up a 44-26 halftime lead, with Withers, Irvine and McCloud scoring 14, 11 and 10 points, respectively, and they kept up the pressure in the second half.

Dunbrack's 10 assists tied the tourney record held jointly by Charles Gordon of Wheeling, set in 1957, and Ricky Ray of Huntington, set in 1961. Friel put Dunbrack back in the game late in the second half to give him an opportunity to break the record.

Marlinton Romps,

Hillsboro Crushed

MARLINTON — Marlinton's Copperheads struck for 10 touchdowns Friday night in a 67-7 conquest of Hillsboro.

Coach Elmer Friel's team, West Virginia Class A grid champions in 1967, appears to be starting where it left off.

Marlinton amassed 229 yards passing and 242 rushing for a 471 total as Friel played every one of his 34 boys on the squad. Outclassed Hillsboro tallied the final touchdown of the game and finished with 120 yards rushing and 24 passing.

"We looked pretty good to night," Friel said. "Our linemen need work."

"We have an excellent backfield and the defense is strong."

Mike Cain scored three touchdowns and passed for another. Ted Dunbrack tallied once on a pass and hurled two payoff pitches and Ivan Withers got into the act on a three-yard scamper.

Sharing in the scoring were Kenny Pyles, Don Galford, W. T. Dilley, Ron Tibbs and Buddy Barb.

Withers, Dunbrack, Cain and the rest of the offensive players also starred on defense. Other defensive standouts included William Corso, Richard Dean, Doug Morrison, Mike Anderson, Ronnie Carpenter, Jimmy Baxter and Charley Friel.

Next team to face the Marlinton meat grinder is Franklin — Friday night at Franklin.

Pounces on Fumbles

WEBSTER SPRINGS — Unbeaten Marlinton, the defending Class A state football champion, pounced on four Webster Springs fumbles and turned them all into touchdowns to score a 40-6 victory over the Wildcats here Friday night.

Ivan Withers and Teddy Dunbrack scored two touchdowns each for the Copperheads, who have won three in a row. They scored with three minutes gone in the game, and then their next four touchdowns came as a result of Webster fumbles.

Webster Springs' only score came in the fourth quarter when Steve Root raced 58 yards. Root picked up 74 yards in only two carries for the Wildcats, who have a 1-2 record.

Webster led 13-12 in first downs, but Marlinton rolled up 440 yards in total offense compared to 233 for Webster.

Webster Springs plays at Richwood next Friday night.
